

Dues & Membership

L'Association de Descendants

As an Association of Philippe du Trieux Descendant member, you will be part of a continuously expanding group of "cousins." Membership entitles you to receive a four-page Journal four times per year. The Journal provides you with much historical information, as well as information about our living "cousins." Along with the Journal you will have access to the history of the family with access to a historian, who with your information, can help you determine your lineage. Your annual dues of \$15 allows us to continue our research and bring that information to you.
